

LEGEND Heavy Duty Soft Shackle

Introducing our LEGEND Heavy Duty Soft Shackle, a versatile and high-performance alternative to traditional steel shackles. Manufactured from high-quality HMPE fibres, this soft shackle offers exceptional strength, durability, and flexibility.

Designed with a soft and flexible construction, this shackle is an excellent solution for ensuring safe recovery and towing operations, delivering a remarkable weight reduction of up to 75% when compared to traditional Wire Rope or Chain alternatives.

BENEFITS:

- Swift and effortless attachment and detachment due to lightweight design
- Exceptional strength for reliable performance
- Remarkable resistance to flex fatigue and wear
- Non-corrosive and rust-free, ensuring long-lasting durability
- Buoyant and highly visible on water surfaces
- Reduced risk of manual handling injuries

Item Code:	Breaking Load	Open Length	Unit Weight
	T	mm	kg
L-SS-15T	15	750	0.21
L-SS-30T	30	1000	0.56
L-SS-50T	50	1450	1.45
L-SS-80T	80	1500	2.4
L-SS-100T	100	1600	3.6
L-SS-150T	150	1650	5.7
L-SS-200T	200	3600	15.5
L-SS-300T	300	3700	25
